Experience DTCF

Hinged on the scenic Cuyahoga River, the city of Cuyahoga Falls has much to offer both tourists and residents. After opening to traffic in 2018, Front Street has become a staple for businesses in the community. The newly revitalized Front Street has everything from dining and cocktails, to boutiques and coffee shops. Many newer businesses have inhabited the downtown area since its transformation.

A splash pad during the summer and ice rink in the winter, Downtown Cuyahoga Falls changes with the seasons so there is always something new and exciting to explore. The pavilion and plaza area houses several types of events, from fundraisers and festivals, to business meetings and other events hosted by the Downtown Cuyahoga Falls Partnership and City of Cuyahoga Falls – such as Nightmare on Front Street, Chocolate Walk, Falls Downtown Fridays, and the annual tree lighting events in support of Small Business weekend.
