# Touchup Kit

## CHECK LIST

I've been in the bridal makeup game for over 10 years and I'm going to spill the tea on the one question that pops up from nearly every bride-to-be client: "What should I pack for the big day?!"

Sure, your bridal or event makeup is meant to stay put, but when it's a marathon event like a wedding, where your face is the star for a whopping 8-15 hours, having a touch-up kit is just smart planning!

To keep things simple, I've laid out the must-have beauty products for your touch-up kit, and threw in a couple of extra gems for good measure.

GET 50% OFF MY 'BRIDAL SKIN PREP GUIDE'

Tracking your wedding timeline is essential for a successful pre-wedding skincare plan to ensure you reap the benefits of your beauty regimen without any unwelcome surprises on the big day.

Drawing from my experience with numerous brides, I've crafted a comprehensive '*Beauty Prep Guide*' that not only shares insider tips but also provides a well-structured timeline for prioritizing self-care leading up to and on your wedding day.

## Key Points:

**Preparing Your Skin:** Gain access to a detailed skin care timeline and checklist spanning from 12 months before to the morning of your wedding, offering guidance on achieving optimal skin condition for your special day.

**Bridal Trial Insights:** Explore the intricacies of bridal trials, including pre, during, and post session recommendations to maximize your time with your makeup artist.

**Product Recommendations:** Tailored to your specific skin type, discover personalized product suggestions to enhance your skincare routine.

**Skincare Routine Simplified:** Alleviate the confusion of morning versus evening skincare with a straightforward guide to maintain your skin's health.

*Don't let large pores and textured skin hinder your flawless wedding day look—follow this ultimate guide for a picture-perfect outcome!*
