2025-2026 Application Packet

Cada aplicación tiene DOS partes. Todas las partes son necesarias para tener una aplicación completa.

Parte 1 es la terminación de una encuesta de información demográfica. Se puede cumplir por el QR Code que está debajo.

Parte 2 es un ensayo escrito que responde a un apunte provisto (página 2) y un cuestionario (página 4). Los dos tienen que ser escritos por mano en la letra del estudiante. Cuando el estudiante ha terminado el ensayo y el cuestionario se puede entregarlos a su consejero. El consejero terminará la aplicación y volverla a JCIB.

¡IMPORTANTE!

Antes de entregar la aplicación al consejero, es necesario añadir el nombre completo del estudiante y su fecha de nacimiento al fondo de cada página de la aplicación. Sin esta información es posible que la aplicación se pueda separar y ser considerada incompleta.

Si quieres confirmar que hemos recibido su aplicación, completa la página final del paquete e incluye un sobre con su dirección y un sello. Cuando recibimos la aplicación, enviaremos una confirmación y recibo con su sobre.

Please send to:

IB Learner Profile

The aim of all IB programmes is to develop internationally minded people who, recognizing their common humanity and shared guardianship of the planet, help to create a better and more peaceful world. The IB learner profile represents 10 attributes valued by IB World Schools. We believe these attributes, and others like them can help individuals and groups become responsible members of local, national, and global communities.

Inquirers: We nurture our curiosity, developing skills for inquiry and research. We know how to learn independently and with others. We learn with enthusiasm and sustain our love of learning throughout life.

Knowledgeable: We develop and use conceptual understanding, exploring knowledge across a range of disciplines. We engage with issues and ideas that have local and global significance.

Thinkers: We use critical and creative thinking skills to analyze and take responsible action on complex problems. We exercise initiative in making reasoned, ethical decisions.

Communicators: We express ourselves confidently and creatively in more than one language and in many ways. We collaborate effectively, listening carefully to the perspectives of other individuals and groups.

Principled: We act with integrity and honesty, with a strong sense of fairness and justice, and with respect for the dignity and rights of people everywhere. We take responsibility for our actions and their consequences.

Open-minded: We critically appreciate our own cultures and personal histories, as well as the values and traditions of others. We seek and evaluate a range of points of view, and we are willing to grow from the experience.

Caring: We show empathy, compassion, and respect. We have a commitment to service, and we act to make a positive difference in the lives of others and in the world around us.

Risk-takers: We approach uncertainty with forethought and determination; we work independently and cooperatively to explore new ideas and innovative strategies. We are resourceful and resilient in the face of challenges and change.

Balanced: We understand the importance of balancing different aspects of our lives—intellectual, physical, and emotional—to achieve well-being for ourselves and others. We recognize our interdependence with other people and with the world in which we live.

Reflective: We thoughtfully consider the world and our own ideas and experience. We work to understand our strengths and weaknesses in order to support our learning and personal development.
