

A Smart Choice!

You're not just choosing
a school, you're
shaping your child's
future

**Register
Online Now!**

We are pleased to welcome you at the
school premises starting Sunday, August
17, from 8:00 a.m. to 8:00 p.m

- 1 International curriculum that reinforces Islamic and national identity and values.
- 2 A true learning journey that culminates in shaping a confident and influential leader.
- 3 Advanced STEAM labs offering research, scientific experiments, and technical skills in AI and robotics.
- 4 A wide range of activities in culture, theater, arts, languages, and community service that build student character.
- 5 A digital learning system that keeps you updated daily on your child's academic progress and learning progress.

**We believe leadership isn't
taught it's lived! Every
experience shapes the student,
not just the classroom.**

Curriculum & Programs

At Arrowad Global Schools, we offer a comprehensive academic program that meets family aspirations and equips students for success in a fast-changing world.

- An accredited international curriculum combining prestigious global programs with a balanced national framework, offering students SAT, IB, and IGCSE pathways to top universities locally and globally.
- Based on leading educational models from the US, UK, Finland, South Korea, and Singapore, it delivers a well-rounded learning experience that blends innovation with academic depth.
- The curriculum includes Qur'an, Prophetic biography, scientific research, applied projects, critical thinking, public speaking, constructive dialogue, national values, and expressive arts.
- A multilingual experience with English as the core language of instruction, alongside optional French and Chinese, broadening students' cultural and academic horizons.
- For those interested: Qur'an memorization classes from Grades 1–9, and a review program from Grades 10–12, integrated with the international curriculum.

In every corner, a unique experience

- 12 laboratories for Science, Computing, and AI
- An interactive platform for e-learning
