INTRODUCTION

Corksy is a unique blend of meme culture, NFTs, merchandise, and gamification, aimed at creating a sustainable, engaging ecosystem. The project leverages blockchain technology on Solana and XRP Ledger to offer decentralized ownership, rewards, and interactive community experiences.

By integrating NFTs, a meme coin, and innovative utilities, Corksy stands out as a creative and entertaining platform for collectors, investors, and enthusiasts.

VISION & MISSION

Corksy aims to redefine the meme coin and NFT space by offering real utility and a thriving ecosystem. Unlike traditional meme coins, which often lack intrinsic value, Corksy integrates:

NFTS

With distinct attributes and hidden clues

MERCHANDISE

Featuring Corksy-branded collectibles

GAMIFICATION

Through a roadmap-connected game

A DECENTRALIZED ECOSYSTEM

With community engagement and incentives

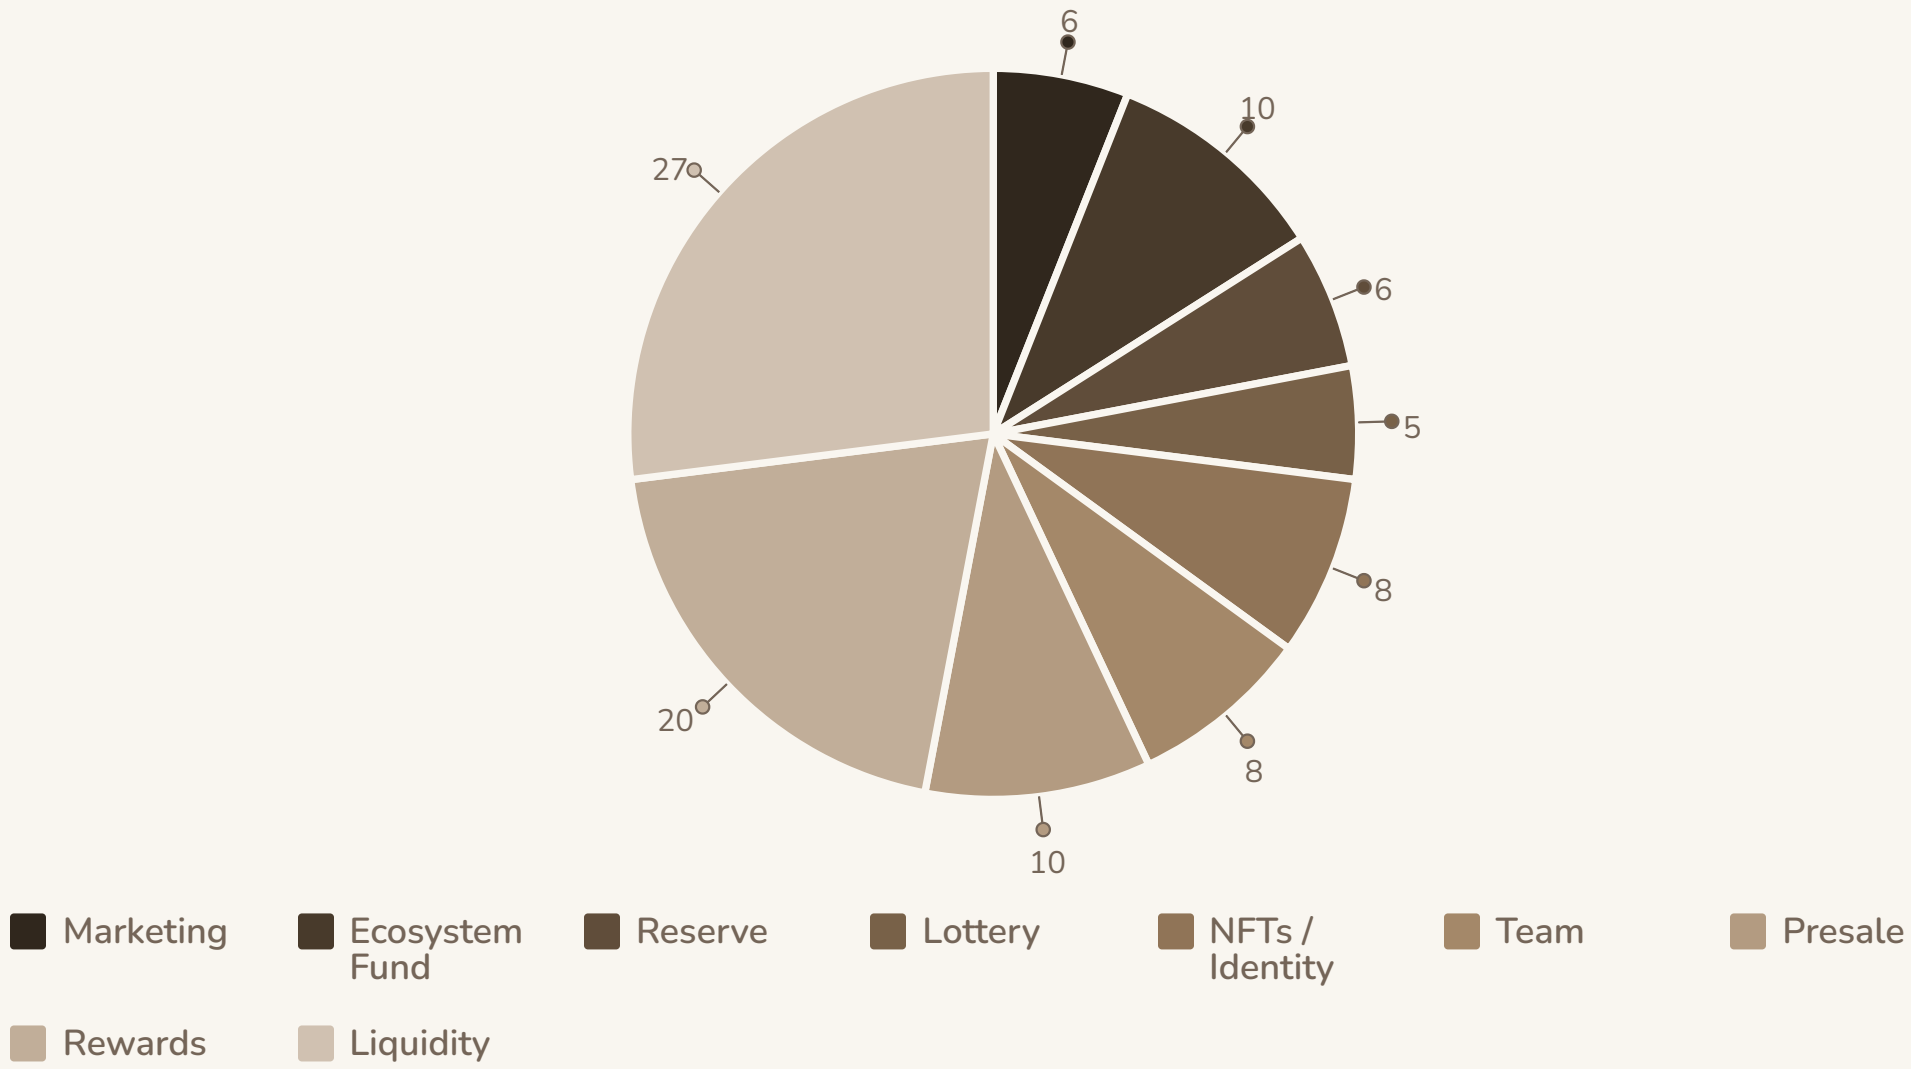
CORKSY APP

Providing real-time updates, NFT/token tracking, and interactive features

EBOOKS

Offering storytelling, hidden rewards, and integrating the ecosystem

TOKENOMICS



TOKEN DETAILS

- Token Name: Corksy ($CORKSY)
- Blockchain: Solana & XRP Ledger
- Total Supply: 10 Billion

Distribution as shown in the chart above, with 50% of net profits reinvested for ecosystem reinforcement.

NFTS & MARKETPLACE

Corksy will release a **limited-edition NFT collection** on Solana and XRP, featuring unique designs, hidden elements, and gamified features.

NFT UTILITY

- Access to exclusive merch drops
- In-game advantages and rewards
- Governance participation
- **Comic-Based NFTs:** The first graphic story “Corksy & the Stolen Bottle” has been launched, with collectible NFT illustrations and 4+ cover versions. Each chapter contains limited-edition NFTs, hidden “Bottle Clues,” and symbol-based unlockables. Future stories will expand the Corksy lore and reward system.

MARKETPLACE INTEGRATION

- Solana NFTs: [TBD Marketplace]
- XRP NFTs: [XRP.cafe]

MERCHANDISE, EBOOKS & ECOSYSTEM

EXCLUSIVE MERCHANDISE

- T-shirts, hoodies, and accessories
- Limited-edition posters and artwork
- Custom-branded wine tools & collectibles
- **Corksy Lounge Collection:** A chillout video and music series with QR-linked merch drops. Includes original soundtrack, visual artworks, and symbol-based NFT integration. Also tied to YouTube and Corksy app releases.
- **From Pasta to Pop Art Series:** A surrealist physical art collection blending Italian pasta aesthetics with retro pop surrealism. Each artwork is available as an aluminum-framed print with a stamped Corksy Limited Edition badge, digital twin, and collector certificate.

EBOOKS & ECOSYSTEM

UPDATE. NEW CONCEPT!

Every Corksy story will be republished as a matching digital ebook (5–6 story pages + 2–3 reward-based pages). These will contain QR codes, airdrop links, and information about the Corksy ecosystem. After 10–15 ebooks, hardcover collector editions will be released with exclusive utilities.

50% of the net profits from **ebooks, merch, and NFT sales** (minus taxes) will be reinvested into the **Corksy meme coin ecosystem**, ensuring growth and sustainability.

GAMIFICATION, REWARDS & PROJECT STRUCTURE

GAMIFICATION ELEMENTS

CORKSY CHALLENGE

A sticker-based campaign rewarding participants with $CORKSY tokens

NFT HUNT

A game with hidden messages and Easter eggs across merchandise

GAME DEVELOPMENT

A future integration of an interactive game

PROJECT STRUCTURE

CORKSY ART

Home of digital art, illustrations, and posters

CORKSY MERCH

Official merchandise and wearable collectibles

CORKSY APP

A mobile platform for NFT, token access, and real-time updates

CRE8LINE

A Swiss-based holding structure under formation, serving as the corporate backbone and governance entity for all Corksy projects

UNCORKED TUSCANY

- **Corksy Lounge Collection.**
- **From Pasta to Pop Art Series**
- **Comic story: The Stolen Bottle**

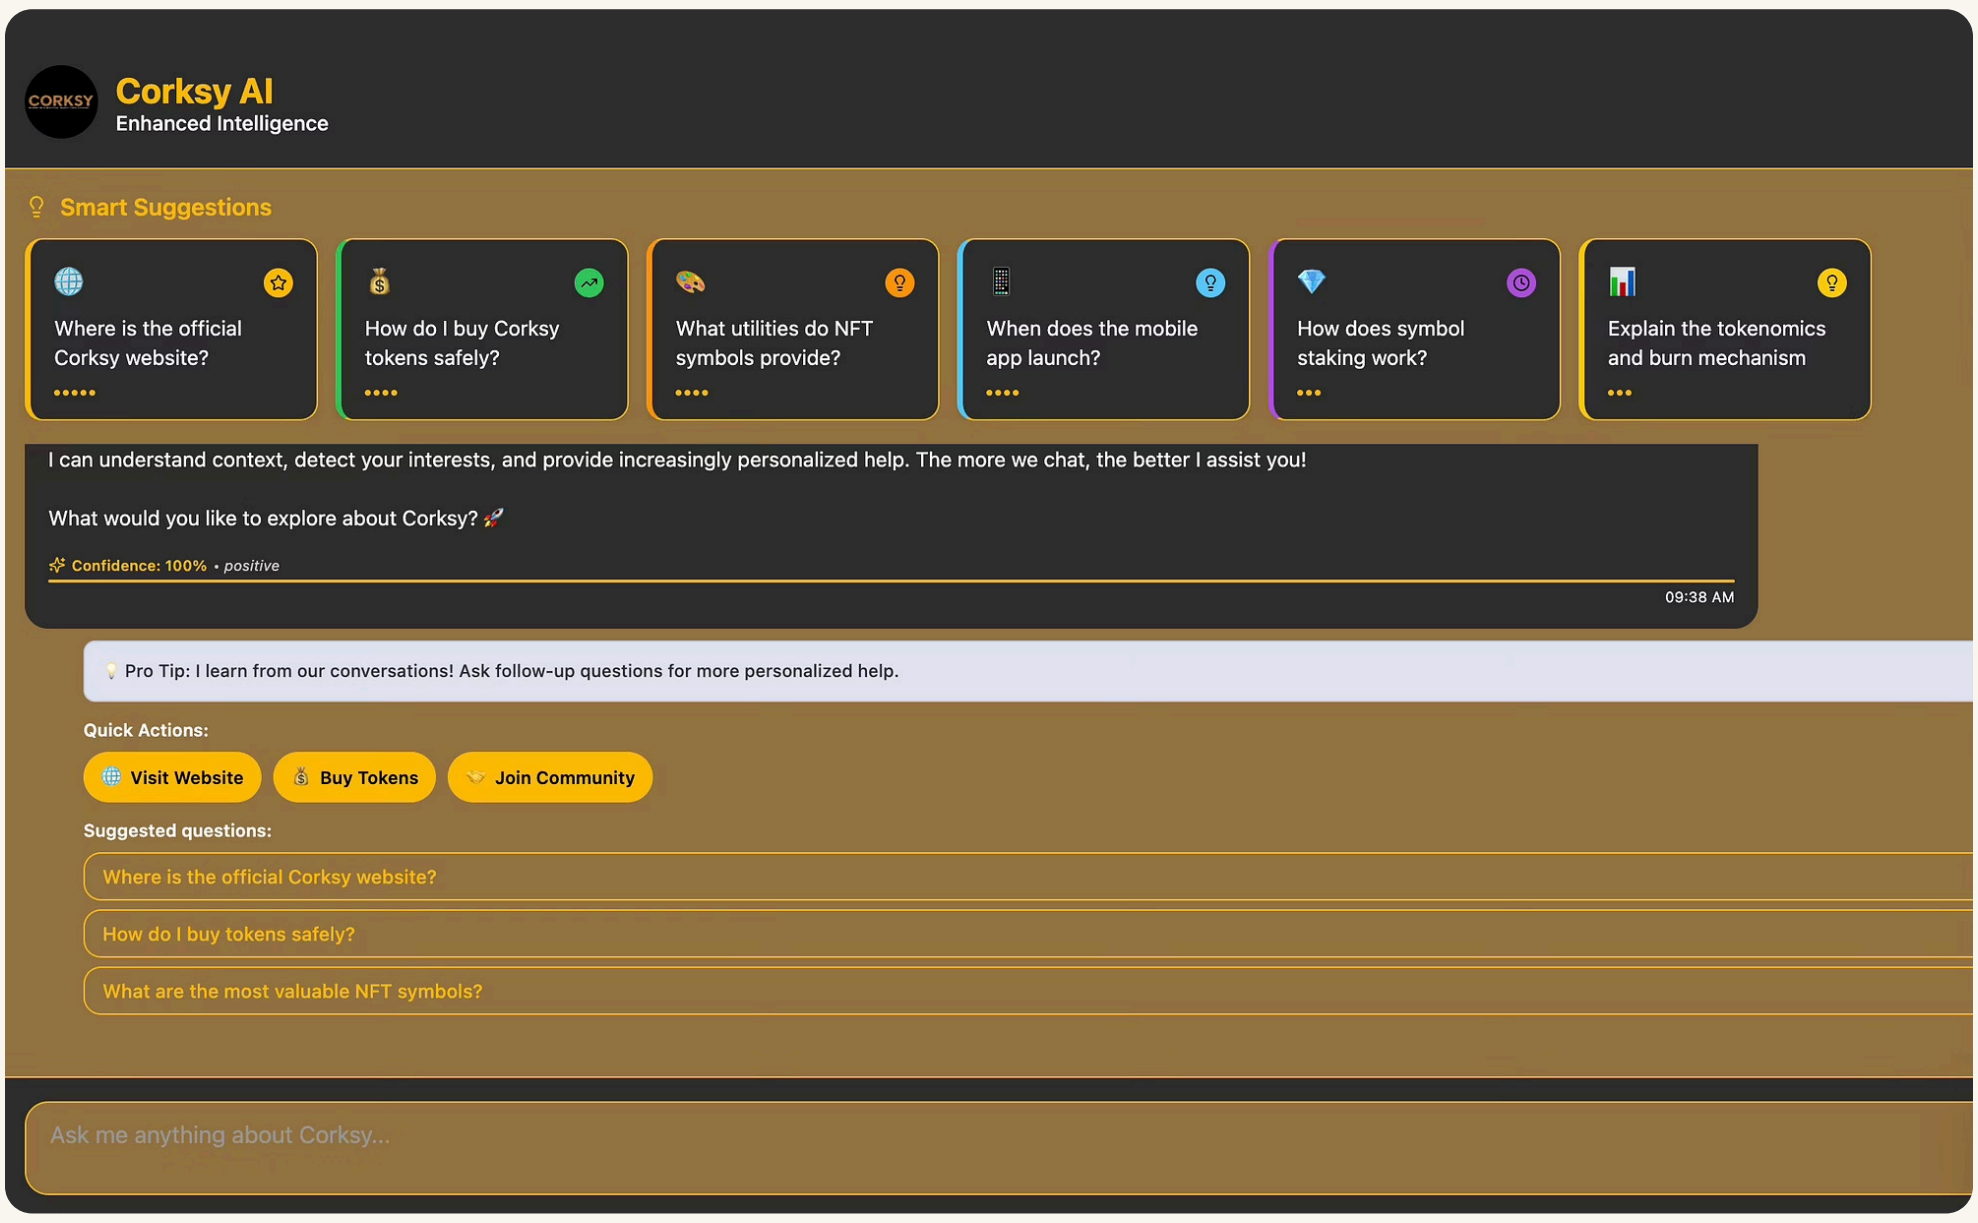
A cultural crossover project that blends storytelling, art, music, and collectibles

CORKSY AI BOT

The Corksy AI Bot is an intelligent assistant powered by Nuclino-integrated knowledge and a scalable retrieval-augmented generation (RAG) system. It acts as an embedded support tool across the Corksy ecosystem, including the website, app, Telegram, and future game interfaces.

KEY FEATURES: •
🔎 Knowledge Sync: Pulls real-time data from Nuclino to stay always updated with Corksy's evolving roadmap, story, utilities, and FAQs. •
🤖 Multi-Platform Presence: Integrated into web widgets, mobile apps, Telegram, and Discord with branded, customizable styling. •
🧠 Smart Query Handling: Uses semantic search and large language models to understand and respond with context-aware answers. •
🔐 Secure & Scalable: Enterprise-grade encryption, role-based access control, real-time monitoring, and multi-user support. •
🧩 Plug-in Ready: Designed to integrate with future systems like the Corksy Game, NFT utilities, and community dashboard.

With this AI system, Corksy enhances accessibility, automates support, and reinforces its image as a forward-thinking Web3 brand.



COMMUNITY, GOVERNANCE & CONCLUSION

With the launch of the Corksy Lounge, the first Corksy Comic NFT storyline, and the limited edition Pasta-to-Pop-Art series, the Corksy ecosystem enters its next evolution—mixing storytelling, physical art, music, and collectibles into one seamless blockchain-powered experience.

COMMUNITY & GOVERNANCE

Corksy is a **community-driven project**, where holders of NFTs and tokens participate in governance, roadmap decisions, and exclusive events. Social media engagement, marketing campaigns, and collaborations will drive adoption and sustainability.

CONCLUSION

Corksy merges meme culture with blockchain utility, offering an innovative, entertaining, and engaging experience for users worldwide. By integrating NFTs, merchandise, gamification, and rewards, Corksy creates a sustainable and evolving ecosystem with real-world and digital value.
