Fill your life
with fragrance®

hello, friends!

We have so much to look forward to this season. Not only are we counting down to the sunniest days of the year — I truly believe that being outside is good for the soul — but our entire Scentsy community is excited to spend more time together celebrating at upcoming events, traveling the world for incentive trips and making new memories with each other.

That sense of cheerful expectation is in the air at Scentsy, and we filled the new catalog with bright and refreshing fragrances, warmer designs and so much more to help you embrace it. Don't miss the *Coastal Light Warmer* (page 22) and *Lake My Day Scentsy Bar* (page 25), perfect for bringing the outdoors in.

Whether you're here to fill your life with the season's new fragrances, earn a few Host Rewards or make this the year you start a Scentsy business of your own, you are welcome here.

Have fun!

How our fragrances come together

Scentsy fragrances are designed for special occasions and everyday moments, because we understand that the true power of scent is its ability to bring people together.

Our fragrance design team thoughtfully and lovingly creates new fragrances to help people connect with their emotions, their memories and each other.

Each Scentsy fragrance is composed of 30 to 60 ingredients for a unique experience!

Top notes
These give the first impression, the reason you're originally drawn to the fragrance.

Mid (heart) notes
These make up the heart of the fragrance and ultimately make you fall in love with a scent.

Base notes
These are the longest-lasting notes and what you smell hours later. They're why you purchase a fragrance again!

All our Scentsy Bars are made in Idaho, USA.

Why Scentsy

Our fragrances are rigorously tested to ensure premium-quality scent that lasts.

An air of freshness

Most people spend an average 90% of their time indoors, where pollutant levels can be surprisingly higher than they are outside.* The Scentsy Air Purifier quietly cleans the air around you while also dispersing signature Scentsy fragrance, so your environment is left clean and beautifully scented.

The Scentsy Air Purifier uses a HEPA H13 filter capable of removing **at least 99.95% of airborne particles** as small as 0.3 microns (µm) — including dust, pollen, mold and bacteria — and releases clean air through Scentsy Pods.

- **Use up to two Scentsy Pods** to enjoy instant fragrance!
- **Three fan settings:** Auto mode, Low and High. In Auto mode, the fan will automatically switch to High to quickly clean the air when it identifies unwanted particles.
- **Run continuously or set a timer** for two, four or eight hours.
- **Air quality indicator light** lets you know when particles are detected by the sensor and when the air is clean.
- **Ideal for small spaces** up to 200 square feet, like nurseries, home offices, bedrooms and more.

Why Scentsy
We make durable, convenient fragrance solutions to quickly freshen your spaces. Includes a limited lifetime warranty.†
