

Experiential learning for **building and validating skills** in your way, for your environment.

Skillable has a solution for any technical learning need.

Skill challenge templates

Our turnkey gallery of more than 1,200 templates (and growing!) can be used, modified or customized to help you move quickly in building or validating the skills of your people in key technical domains. Tailored-to-fit performance-based learning is here!

Includes:

You have ready-to-go access to the most in-demand specialties of today, including:

- ✓ Cybersecurity
- ✓ Cloud computing
- ✓ (e.g., AWS, Azure, GCP)
- Artificial Intelligence (AI)
- Digital Transformation
- (e.g., analytics, insights)

Custom virtual lab environments

Training your customers, partners and/or employees on your own tools or software? Build custom hands-on labs (with or without our help). You can start from our templates or go completely custom.

Includes:

- ✓ Our complete virtual lab authoring platform enables you to develop labs on your product, quickly and at scale
- ✓ Robust authoring tools with automatic scoring
- ✓ API integrations to sync your LMS, LTI, LXP and other systems

Professional Services expertise

Need a little extra support or have resource limitations? We can help with existing projects or new initiatives.

Includes:

A team of experts ready to support you in areas such as:

- ✓ Custom training development
- ✓ Custom lab development
- ✓ Performance Testing (PBT)
- ✓ Consulting and staffing
- ✓ Event services

Skillable delivers hands-on experiences that help you develop and validate technical and digital skills for your employees, customers and partners.

The leader in performance-based learning with the results to back it up.

- ▶ 2023 Brandon Hall Group Award winner in five categories, including Best Advance in Education Delivered Through Technology.
- ▶ 200+ G2 awards based on user reviews in numerous categories, including: Leader in Experiential Learning, Easiest to Use Virtual IT Lab Provider, Best Usability, Best Meets Requirements and Most Likely to Recommend.
- ▶ Industry-leading security posture as we: We hold ISO-27001 and SOC 2 certifications.

Majesco's success story

Learn how Majesco, a global leader in cloud insurance software solutions, is solving employee turnover, ineffective training programs and a need to accelerate time to competency by shifting to performance-driven skill development through hands-on labs.
