QUALIFI

المعرفة
Knowledge

WES
WORLD EDUCATION SERVICES

COURSE OVERVIEW

The Qualifi Level 4 and Level 5 Diploma in Business Management programme deals with complex and challenging organisational issues and opportunities. The units are closely linked to current day real world and work challenges and the qualification will test and develop learners' workplace experience and abilities. Learners will be required to make judgements and provide creative and practical solutions and ways of responding to organisational challenges and problems.

The Level 5 units are also designed to top-up into the final year of a British Bachelor degree in Business.

LEARNING OUTCOMES

- ✓ To understand and apply the principles of leadership in a business environment.
- ✓ Review and apply the principles of business management within industry.
- ✓ Select, collate, review and analyze information from a wide range of sources.
- ✓ To improve employability of learners by allowing them to explore the relationship between theories and their practical application.
