

The Georgetown Chimes
FELLOWSHIP AND HARMONY SINCE 1946

ABOUT

Founded in 1946, The Chimes are Georgetown's oldest a cappella group. We sing everything from barbershop to modern pop, and over the decades we have released over two dozen albums, performed for presidents from Eisenhower to Obama, and sung to audiences around the world.

We have experience with every type of performance, from our 51 years of hosting our a cappella festival, the Cherry Tree Massacre, to performing at weddings, services, sporting events, corporate events, dinner parties, and everything in between.

In the past year, we have shared our music in Dublin, Puerto Rico, New York City, San Francisco, and of course, all around the DMV area.

REPERTOIRE
