Introducing Massive by Sketchfab

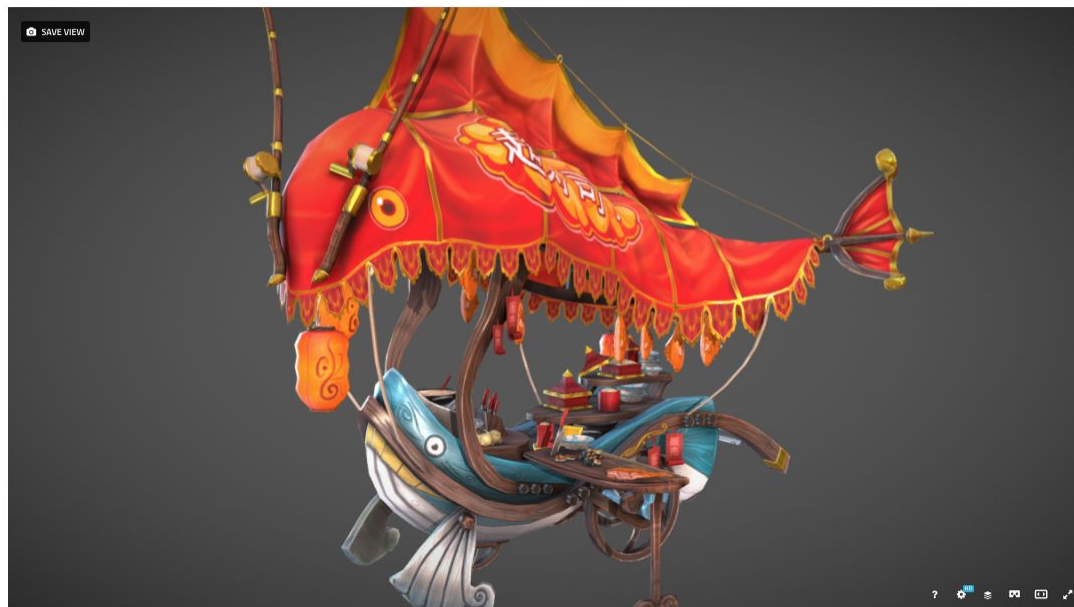

"Dordogne Valley" by /Gerpho

The background is a solid pink color with a complex, abstract pattern of overlapping, semi-transparent geometric shapes, primarily triangles and polygons, in various shades of pink and magenta. This creates a layered, crystalline effect.

The Sketchfab Store launches

A silver laptop is shown from a front-facing perspective, open and displaying the Sketchfab website. The screen shows a grid of 24 3D model thumbnails arranged in 4 rows and 6 columns. The models include various characters, objects, and environments, such as a character in a red suit, a blue robot, a green alien, and a yellow robot. A semi-transparent red banner with white text is overlaid across the middle of the screen. The background is a solid light blue.
