Enjoying the Benefits of ASAP

Our unique Automatic Shipment Advantage Program provides you with a system to purchase your Lifeplus products each month conveniently and economically. Every month, depending on your preferred payment method, you will be charged automatically for the products that you consume each month. You can also customize your order each month, which will allow you to tailor your order to match your specific nutritional needs.

Your ASAP order will be assigned a specific Business Day during the month. This is to prevent your ASAP order from falling on a weekend or a holiday and will allow the Lifeplus shipping department to fulfill your ASAP order more efficiently. Your ASAP order Business Day will be printed on your invoice. If your specific Business Day does not work for you, please contact customer service and we will be happy to work with you to find a day that would work with your ASAP schedule.
