README

And then, in 1993, the heroes fell.

Superman died first, beaten by a mysterious and unknown monster who bursted out of nowhere. Sorry, Lex.

A few weeks later, it was Batman's turn. What the infinite hardships of his quest couldn't achieve, it was finally accomplished by the willfulness of a lone enemy. Gotham City's nocturnal protector was broken for good.

The so-called World's Finest were no more.

Until...

Somehow cloned from a strand of Superman's alien DNA, a new teenage hero was created in a lab, to fight for and to inspire the current generation.

Superboy was born.

Trained by the violent religious zealots of the Order of St. Dumas, a hallowed crusader was ready to pick up the mantle of the Batman and rule the night... his own way.

So rose Azrael.

Meet the new World's Finest.

Same as the old ones?

Real name: None

Base of operations: Honolulu

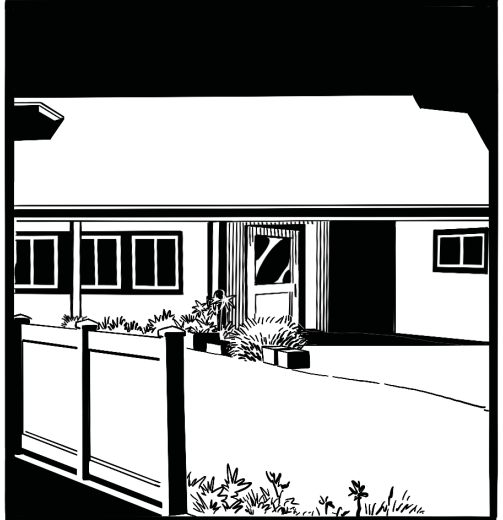

Height: 5' 7" | Weight: 160 lbs.

Eyes: Blue | Hair: Black

First appearance: *Adventures of Superman* #500 (June 1993)

He was designed within the labs of Project Cadmus to become Superman's successor, a clone formed from a partial strand of the Man of Steel's DNA following his death at the hands of Doomsday. Though labeled "Superboy", and resembling his kryptonian counterpart in many ways, the young hero has one ability not shared by his progenitor: tactile telekinesis, which allows him to move any object the power of his mind can reach by direct physical contact or by transmitting itself like a jolt of electricity through a chain of connected solid objects or surfaces.

OH, YOU AGAIN. THE PHONY BATS!

FOOL, I AM THE ONE TRUE BATMAN.

SORRY, SLIP OF THE TONGUE!

AZRAEL

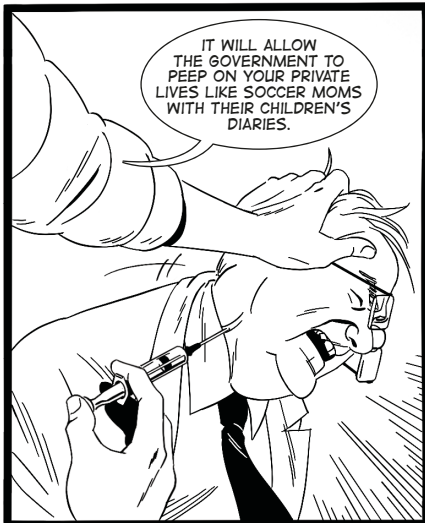

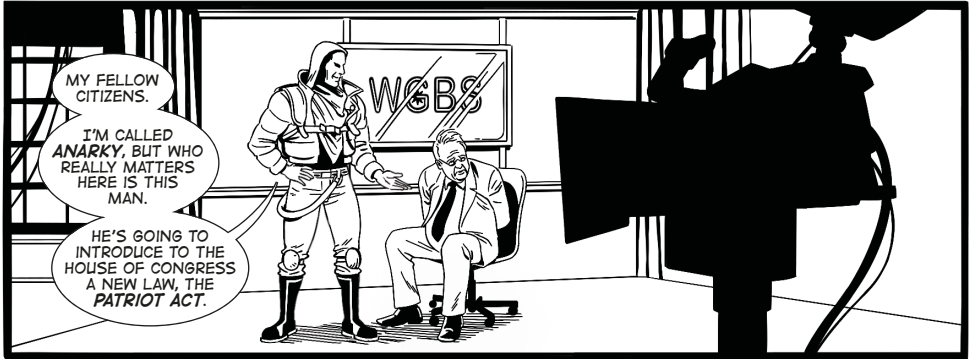

Real name: Jean-Paul Valley
Base of operations: Gotham City
Height: 6' 2" | Weight: 210 lbs.
Eyes: Blue | Hair: Blond
First appearance: *Sword of Azrael* #1
(October 1992)

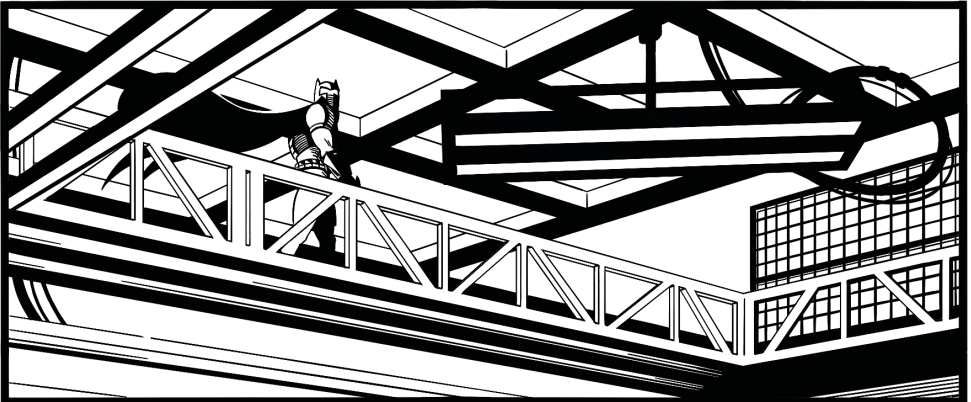

The Order of St. Dumas is a secret army of clergy-soldiers founded during the Crusades and dedicated since then to "visiting wrath upon the infidels". To pursue this "holy duty", the Order raises killers called Azraels, trained from infancy in "The System", a mental and physical discipline achieved largely through hypnosis and manipulation of the subconscious. The end result of this process are unbeatable warriors with a raging split personality coached to believe it is an actual Biblical angel of vengeance and triggered by the donning of the Azrael costume. However, following the death of Batman at the hands of Bane, the latest and best but also crazier in this line of fanatic enforcers, Jean-Paul Valley, chose for himself a different path: to replace the Dark Knight and prove to be his true and only worthy successor.
